

Speed controller

The DV-REG speed controller is a straightforward solution for adjusting the actual fan speed.

Product code example

Product code: **DV-REG** **aaa**

Dimensions

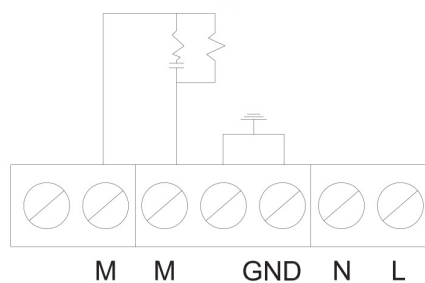

Height: 116 mm
Width: 114 mm
Thickness: 50 mm

Technical specifications

Voltage: 230V
Frequency: 50-60 Hz
Current: 2 A or 5 A

Wiring connection diagram

DV-REG-2

DV-REG-5
